[Central News](#)

The Banana Shire Community Resource Centre (CRC) seeks to support and empower individuals and families in the community by ensuring they have access to the most appropriate services and resources to meet their needs.

WHAT IS THE CRC?

The CRC is a purpose-built centre to provide access to resources and facilities for people who have an identified physical, psychological, intellectual or social need and for professionals and organizations that assist them. It also houses resources that can be used by teaching professionals to enhance their own, their students' and parents' teaching and learning needs.

It is owned and operated by the Banana Shire Council with support from various government and non-government funding sources and public donations.

WHO CAN USE THE CRC?

Referred Members:

- Are individuals who are referred by doctors, teachers, allied health professionals, guidance officers, psychologists, nurses and the CRC Senior Programme Advisor.
- Are individuals who have an identified physical, psychological, intellectual or social need resulting in significant or permanent limitation or impairment.
- Are required to pay an annual membership fee.

Individual, Group or Organisation Members:

- Are those individuals, groups or organisations working in the area of health or education or with referred clients, who require access to resources and facilities to enhance and support their delivery of services to people/groups with identified need.
- Individuals may include recognised health professionals, teachers or associated education professionals.
- Groups may include Anglicare, Blue Care, Endeavour, Schools, Early Childhood Centres, Special Education Units, TAFE, Family Day Care, Child Care and Early Learning Centres, Kindergartens, Residential Aged Care Facilities, Church groups, Play groups, Nursing Mothers and others.
- Are required to pay an annual membership fee.

Please note:

These individuals, groups or organisations do not include those:

- Whose primary activity involves commercial enterprise or financial gain and/or
- Whose primary activity does not involve supporting individuals with an identified physical, intellectual psychological and social need resulting in significant or permanent limitation or impairment.

Teacher and Associated Education Professional Members:

- Are those professionals who seek to support and enhance their teaching and learning by accessing additional resources and equipment.
- May also access the facilities of the CRC for purposes directly related to supporting their own, their students' or the parents of their students' learning and teaching needs.
- Their parent school is required to pay an annual membership fee.

Resource Library:

The CRC has a library that contains toys, games and equipment that can be used to help people gain specific skills.

The library also contains resources that teachers and other professional members can borrow. Items include skill development kits, theme boxes, reference materials, educational DVD and CD's.
