

# BANANA SHIRE WHEELIE BIN COLLECTION DAYS BY STREET

Banana Shire Council is pleased to announce the commencement of a new cardboard recycling program, beginning 3 May 2021. Implementing this fortnightly kerbside recycling service means cardboard can now be placed in a separate blue-lid wheelie bin.

Collection days listed for each street below indicate both the weekly red-lid general waste collection day as well as the fortnightly blue-lid recycling collection day for each street in the Banana Shire.

Recycling weeks are as follows:

- **Week 1** – beginning the week of 3 May 2021  
Before 6:00am on your collection day of this week, please put out both your red-lid general waste bin and new blue-lid cardboard bin for collection. In the following week place out your red-lid general waste bin only.
- **Week 2** – beginning the week of 10 May 2021  
Before 6:00am on your collection day of this week, please put out both your red-lid general waste bin and new blue-lid cardboard bin for collection. In the following week place out your red-lid general waste bin only.

If your recycling week on this list states “Contact Council”, this means that different sections of your street may be assigned to different recycling weeks depending on the truck’s route. Please phone Council on (07) 4992 9500 for your property’s specific day.
