A Guide to Drought Assistance Schemes and Support Programmes in the Banana Shire

Banana, Baralaba, Biloela, Cracow, Dululu, Goovigen, Jambin, Moura, Taroom, Thangool, Theodore and Wowan.
Why a ‘Bush Bible’?

The entire Banana Shire was drought declared on 1 April 2019. Prior to this approximately two thirds of the Shire had been drought declared since March 2014. Many of our residents continue to ‘do it tough’. Council wanted to have a ‘ready reference’ easily accessible to all Shire residents, so developed this ‘Bush Bible’ to be available electronically on Council’s website and also printed in hard copy.

This project has been made possible through the Community Drought Support Package 2015-16 which was funded by State Government monies. Expenditure has included a number of grants accessible to local community groups to assist in hosting community events, contracting of a consultant group to advise Banana Shire Council on its Disaster Community Education strategy, and this ‘Bush Bible’ resource.

The Community Drought Support Package 2015-16 was designed to assist severely affected communities by providing support for events and activities and/or community planning. It was administered within the Banana Shire Council by the Community Development Officer - Recovery.

Council endeavors to keep this resource as up to date as possible and available as a reference point for our residents.

The information is current as at 23 April, 2019 – all care has been taken to ensure information is accurate.

Contributors take no responsibility for errors.

If you would like to offer feedback please email the Community Development Officer- Recovery, at enquiries@banana.qld.gov.au

Aussie Helpers

Aussie Helpers Ltd is a non-profit registered charity that has been operating since 21 May 2002. The charity is operated by approximately forty volunteers working in QLD, NSW, Vic and SA and have assisted farmers in Tas and WA. Aussie Helpers stays in touch with 100s of farming families to ensure their well being and survival through good and bad times.

These volunteers fully embody the spirit of volunteering, freely giving their own time and expertise (in many cases at their own expense). They have created a charitable association that is strongly supported by local communities including citizens and small businesses, many of whom have donated and supplied goods and services to enable Aussie Helpers to achieve its goal of “helping to fight poverty in the bush”.

Phone 1300 665 232 or visit their website at www.aussiehelpers.org.au
Australian Taxation Office (ATO)

The ATO can help people affected by drought and other natural disasters by allowing more time to pay tax debts, or arrange payment by instalments, without incurring interest charges.

In special circumstances, the Commissioner for Taxation may release individuals from payment of Income Tax, Fringe Benefit Taxes and some other taxes where it is shown that payment would cause serious hardship.

Buy a Bale

The team at The Give Back Campaign, Frontier Services, in June 2013, decided to do something for the predominately QLD farmers who were destroying their cattle and some being forced off their land. After some brainstorming it was decided the best thing was to ask Australians to Buy a Bale of Hay and the feed would be delivered to where it was needed most.

Drought continues in many parts of the country; currently (end of 2016) about 2/3 of the Banana Shire is drought declared. The Buy a Bale campaign has expanded and also supplies diesel, groceries, family health support and counselling. After 3 years the campaign has galvanised tens of thousands of Australians to donate. Today Buy a Bale is a recognised name in drought assistance.

To contact Buy a Bale telephone 1300 327 624 or visit their website to register for assistance www.buyabale.com.au/can-we-help-you
Department of Agriculture

The Drought Relief Assistance Scheme can offer assistance with:

- Transport of fodder freight subsidy
- Transport of water freight subsidy
- Emergency water infrastructure rebate
- Transport of livestock returning from agistment freight subsidy
- Drought management plan
- Individually droughted property

Home Energy Emergency Assistance Scheme

The Home Energy Emergency Assistance Scheme:

- Is for low-income households who’ve experienced a short-term financial crisis or unforeseen emergency that has limited their ability to pay their current electricity or reticulated natural gas bills
- Is a one-off emergency assistance to help with paying your home energy bills
- pays up to $720.00 in any 12 month period for a maximum of two (2) consecutive years.

To be eligible you must meet one of the following:

- hold a current concession card in the name shown on your electricity or reticulated natural gas bill, or
- be part of your energy retailer’s hardship program or payment plan, or
- have an income less that the Australian Government’s maximum income rate for part-age pensioners. Contact Centrelink for details of the maximum income rate.
Full eligibility details, including the types of emergency situations you might get help for, are available from your energy retailer.

**Department of Human Services**

**Centrelink**

The Department of Human Services delivers a broad range of health and social payments and services.

This includes Centrelink payments and services to support people who are:

- Living in rural and remote areas
- Experiencing severe financial hardship
- Recovering from disaster
- In need of special assistance

**Farm Household Allowance**

This program was announced as part of the Federal Government’s Drought Assistance package, however, you don’t have to be drought declared to receive it. To be eligible you need to:

- Be a farmer or the partner of a farmer
- Be aged 16 years or over
- Contribute a significant part of your labour and capital to a farm enterprise in Australia, or be the partner of a farmer who does
- Meet an income and assets test
- Meet residence requirements
- Have regular contact with a Farm Household Case Officer
- Agree to and comply with mutual obligations requirements, and
- Have received less than 3 years of Farm Household Allowance.

Alternatively ring Centrelink’s Drought and Farmer Assistance Hotline on 13 23 16.
Department of Natural Resources and Mines (DNRM)
Deferral of Rent or Instalment

Applications can be made to the DNRM to defer rent or instalment payments. To be eligible, you must hold a term, perpetual or freeholding lease, a road licence or an occupation licence. You are not eligible if you hold a permit to occupy. You can apply at any time if you are suffering from the effects of drought, flood, fire, disaster, economic recession or a severe downturn in the markets related to the purpose of the lease.

For more information, phone DNRM on 13 74 68 or go to: www.qld.gov.au/environment/land/state/rents/deferring

Farmers Card

Farmers can take this card to any business that is approved to accept the card and use it to pay goods and services. The business accepts the card and processes the transaction and they are then reimbursed from the donations pool. The card acts like a gift card. Any drought declared landholder may apply. Limit of one card per household.

**Conveyance Allowance (drought assistance) arrangements**

Conveyance Allowance is designed to assist families who reside on drought declared primary producing properties with the costs of transporting their children to and from school.

Your drought assistance will continue while you are in receipt of Conveyance Allowance Class A or C and you continue to:

- Reside on a primary producing property in a shire council/regional council that is currently drought declared by the Department of Agriculture and Fisheries, OR
- Reside on a primary producing property which is officially declared an ‘individually droughted property’ (IDP) by the Department of Agriculture and Fisheries.

Your drought payment will be paid:

- In addition to the existing Conveyance Allowance currently approved.
- In April for the first semester (January to June) and October for semester two (July to December).
- While you remain living on your primary producing property. Payments will continue for tow (2) years after the property is officially removed from the drought declared list, provided your circumstances do not change.
- While students are in attendance at school.
- The existing Conveyance Allowance A and C payments will continue to be made in June and December
- Any change of address will require a new application and a new assessment
- Should you have any questions about school transport, drought assistance or Conveyance Allowance payments please contact the nearest Department of Transport and Main Roads office.
- Drought assistance is not available for families who receive Class 1 Conveyance Allowance for students in isolated areas.

Royal Flying Doctor Service
Drought Wellbeing Service

When discussing mental health in rural areas, there is often a focus on mental illness and suicides coupled with alarming statistics. RFDS (QLD Section) in no way wants to ignore these figures, however it is important to remember that mental health and wellbeing is about so much more.

It is important to acknowledge that resilience and determination are a natural part of rural life. How we deal with stress can impact not only our current and future health, but the wellbeing of those around us.

RFDS (QLD Section) has been leading the Drought Wellbeing Service across QLD. This program offers counselling and support to people living and working in areas impacted by drought. Qualified counsellors work alongside existing RFDS clinicians and attend established RFDS primary health care clinics. Counsellors are also available via telehealth or outreach sessions providing strategies that can help in tough times, or an ear to listen to wellbeing concerns. RFDS can offer information sessions on dealing with tough times to small groups and/or businesses that are drought affected.
If you, a friend or loved one, would like to chat with one of the RFDS Drought Wellbeing Service counsellors please call (07) 3852 7544 or email infodws@rfdsqld.com.au

UnitingCare Community
Country Callback Service

Country Callback offers a FREE 24hr telephone support to rural people in QLD who are “doing it tough.” Telephone 1800 543 354

People experiencing personal, social, financial and emotional difficulties as a result of prolonged drought and/or rural hardship are able to access this 24hr Country Callback service.

Country Callback has been set up by UnitingCare Community who also run the Lifeline Crisis Line 13 11 14. At present this 13 11 14 crisisline offers immediate support however is currently unable to call people back. After receiving feedback from rural communities that a service like this was needed UnitingCare Community has used its experience, skills and infrastructure to offer this support to rural Queenslanders.

What happens when you call?

When someone contacts Country Callback you will speak to a qualified (Lifeline) Telephone Crisisline worker who will provide immediate support, information, advice and referral. A ‘Callback’ will then be offered to the caller for a time that is convenient to the caller.

What is a Callback?

A ‘Callback’ is confidential debriefing or counselling over the telephone by qualified staff in the privacy of your home.
When a ‘Callback’ is made, the needs of the caller are matched to the ‘best fit’ counsellor who will offer support at your preferred day and time.

This confidential service provides:

- Information, advice and referral
- Counselling support for individuals and families experiencing personal, social, financial and emotional difficulties
- Debriefing support for workers and volunteers

For further information go to www.countrycallback.com.au or contact countrycallback@uccommunity.org.au

Department of Transport and Main Roads
Drought Assistance Package

The Department of Transport and Main Roads provides a drought assistance package for eligible registered operators of vehicles. This package is offered in conjunction with the Department of Agriculture, Fisheries and Forestry and the Queensland Police Service.

Items included in the package are:

- Multi-combination drought permits
- Permit to increase the maximum hay-loading height
- An additional registration pay term of 3 months and exemption from surcharge for a 3 or 6 month registration pay term
- Exemption from an administrative fee for late payment of registration
- Waiving of certificate of inspections fees
- Seasonal registration vehicles can have dormant period extended to two (2) years
- Cancellation and re-registration of vehicles
- Fodder transport with primary producer concession
- Farm plate concession vehicles able to cart water for up to 80 km
- Stock grazing on declared road reserves

Drought Information Hotline

A Drought Information Hotline is provided by the Department of Agriculture, Fisheries and Forestry. The hotline provides information about all drought assistance available. Contact 1800 025 656.
