Planning Policy

Planning Policy

No. 1 – Legal Descriptions for Land Affected by the Rural – Historically Subdivided Land, and Overlays in the Banana Shire Planning Scheme

1 Purpose

- 1.1** This Planning Policy is to be read in conjunction with the Zoning and Overlay Maps contained in the Planning Scheme. The contents of this Policy, namely lot and plan data, serves to compliment the mapping, and assist in their interpretation.
- 1.2** Due to the size of the Shire, and the subsequent shortcomings in being able to map fine grain details, the data contained in the Appendices of this Policy will serve to remove any doubt about the extent of mapped features. This in turn will allow development proponents to accurately identify the mapped features over the subject land, and the applicable assessment criteria under the Planning Scheme.

2 Appendices Contents

- 2.1** The various groupings of lot descriptions are provided in the Appendices to this Policy. The numbering of the Policy reflects the numbering of Appendices to the Planning Scheme.
- 2.2** The Appendices to this Policy are arranged as follows:
