

REQUEST FOR QUOTE – Moura 50M Pool Repairs to Gutter Area Concrete Bedding (Epoxy Concreter Services Required)

Request for Quote # Q-2223-CS-60

Supplier Details:

Business Name	ABN
Trading Name	
Contact Person	Phone
Email Address	

Scope of work:

Banana Shire Council manages the maintenance and works at the Moura Swimming Pool Complex. It has been identified that the concrete bedding along both sides of the water gutters at the 50M pool have failed and repairs are required.

Council requires the following services to be engaged to undertake repairs:

1. Experienced Concreter/Epoxy Application Technician – Installation of required boxing and other setup as required.

Application of Sealer/Primer layer & application of Epoxy Bedding product along both long edges of the pool (Application must be as specified as per the Sika Specification documents - Attachment 1,2&3)

Epoxy products to be used for the bedding (include supply and delivery within the quote) will be as follows (based on specialist advice received):

Sikadur-32 LP as the primer

Sika Monotop-436 as the repair mortar (form and pour)

Epoxy product used must provide compatibility with existing pool wall concrete materials, epoxy grout, materials being used by the tiler and the pool paint that will be applied at the conclusion of the repairs.

Ensure correct height & fall levels are obtained in coordination with the Tiler contractor using laser levels.

No concrete or dust particles are to be washed into any onsite pool or stormwater drains.

All works must be done in coordination with the Tiler/Waterproofer and Steel Fabricator Contractors who Council has engaged to complete this project to ensure correct curing & timings throughout this project.

General Information:

A) All works will require a Safe Work Statement to be provided especially for high-risk activities like working around cement dust, epoxy and other chemicals & welding/grinding operations.

B) Council will be providing construction temporary fencing panels with shade cloth around the pool to provide protection to pool patrons who will be using the rest of the site.

C) All contractors must be willing to guarantee their works for a period of 5 years and this will need to be shown in the quote.

D) Final Pool Paint product that is being used is A&I two pack fluoropolymer coating as shown below.

E) It is highly recommended that a pool site visit occurs to quote on this work. Please contact the Senior Land and Lease Management Coordinator on 4992 9500 to arrange this.
