SCOPE

All not-for-profit, non-political, community, cultural, religious, charitable, service, educational, recreational or sporting groups and organisations providing a service to the Banana Shire community.

DEFINITIONS

Project - Any activity, program, event, service, material, equipment, building or facility construction or modification by or from any Banana Shire group or organisation.

POLICY

Council will provide written support for a group or organisation's project which demonstrates a real or perceived benefit for the Banana Shire community subject to the supply of detailed relevant information on the proposed project and the proposed source of funding.

Provision of written support does not imply that Council will assist the relevant group or organisation with funding for the project or make any other contribution, but does not preclude consideration or provision of assistance to such project.

An individual Councillor may also provide written support for projects at the Councillor's own discretion. An individual Councillor's support should not be interpreted as support from Banana Shire Council. When providing personal support, the Councillor should make it clear that requests for whole of Council support need to be directed to the Chief Executive Officer.

PROCEDURE
