DUTIES AND RESPONSIBILITIES

- Supervise, mentor and develop team members, ensuring a high level of performance and continuous improvement
- Lead the development, implementation and continuous improvement of infrastructure asset maintenance and renewal strategies
- Coordinate and manage asset inspections, condition assessments and data collection across Council's infrastructure network including roads, stormwater systems, bridges, footpaths, and third-party assets (including grids, gates and similar infrastructure)
- Ensure asset data is accurately captured, maintained and utilised within Council's asset management systems and GIS platforms
- Identify and prioritise future infrastructure projects based on asset condition, risk, service levels and whole-of-life considerations
- Provide technical advice and recommendations on asset condition, maintenance requirements and renewal priorities, including validation of candidate projects for resealing and resheeting programs
- Assist with the development and maintenance of forward works programs to inform Council's capital works planning and budgeting processes
- Liaise with the Design and Delivery teams to transition identified projects through investigation, design and delivery phases
- Identify and assess potential water and gravel sources, and coordinate the investigation, approvals and ongoing compliance requirements associated with extraction permits and/or environmental authorities to support Council's works programs
- Contribute to the promotion of the image of the Council and the maximisation of good public relations
- Liaise with clients, other Council staff, the public, consultants, utility and government authorities in the performance of duties, including providing and obtaining information
- Undertake routine administrative tasks as required by the position, e.g. timesheets
- Assist senior staff to continuously improve work processes and develop new practices, as required
- Participate in training, exercises and response to disaster management and recovery as required
- Undertake other relevant duties as directed, consistent with skills, competence and training.

Desirable

- Registered Engineer of Qld (RPEQ).

ABILITIES, SKILLS AND KNOWLEDGE REQUIRED

Compulsory

- Demonstrated experience in infrastructure asset management, maintenance planning and/or civil construction
- Strong understanding of road, drainage and civil infrastructure systems and associated maintenance practices
- Experience in condition assessment, defect identification and risk-based prioritisation of works
- Demonstrated ability to lead and supervise a small team, including setting priorities and managing workloads
- Well-developed analytical and problem-solving skills

- Experience in the use of asset management systems, GIS and Microsoft Office applications
- Sound knowledge of relevant standards, guidelines and legislative requirements
- Strong communication and stakeholder engagement skills
- Commitment to Workplace Health and Safety and continuous improvement principles
- Good literacy, numeracy and oral communication skills
- Demonstrated ability to work in a team environment under minimal supervision
- Sound understanding of and commitment to EEO and WHS principles and practices.

CORPORATE OBLIGATIONS

The Employee agrees to comply with the following:

- Workplace Health and Safety policies and procedures
- Customer service standards
- Council's Code of Conduct
- Environment and Sustainability policy and procedure
- Human rights legislation, actively promoting its principles in all activities
- Human Resources policies and procedures
- Financial Management policies and procedures
- Records Management policies and procedures
- Disaster Management policies and procedures.

SPECIFIC CONDITIONS/REQUIREMENTS

- The employee acknowledges that this role requires them to hold and maintain a minimum of a class 'C' manual driver's licence and that the loss of licence may jeopardise employment with Council
- The employee agrees to be available to travel within and outside of Shire boundaries for work and training purposes and may be required to work away from home for unspecified periods of time
- The employee agrees to be available for work on weekends and public holidays as required.

ACKNOWLEDGEMENT

This position description outlines the responsibility level of the role and the general nature of work to be performed in this role. Your Supervisor will facilitate training and provide guidance on the specific requirements of the role. By signing this document, you understand this and commit to the corporate obligations and specific conditions/requirements of the role as listed above and understand that failure to comply may jeopardise your employment with Council.
